

The Massachusetts Soldiers Legacy Fund
"Honoring the sacrifice of Massachusetts Soldiers"

*MSLFund approaches 1/4 million
dollar mark*

- MSLFund approaches the quarter million dollar mark. Peter Trovato and the trustees of the Massachusetts Soldiers Legacy fund are very pleased to announce that in their first year of existence they have raised almost \$250,000 in cash and pledges. The trustees are pleased with the successes of the first year, but vow to continue until all our fallen soldiers' children have had their education completed.
