COLLEGE NEWSLETTER 2019

INTRODUCTION

The Massachusetts Soldiers Legacy Fund (MSLF) invites you to learn more about our students who have graduated college or are currently attending school. In November, the MSLF will be entering its 15th year as a 501c3. We aim to provide education grants to the children of Massachusetts residents who died in support of the Global War on Terrorism. Currently, there are 50 families with 81 children eligible for these grants. 25 of these young adults are between 18–25 years old.

As of Fall 2019, 16 young adults will be enrolled in college. Many of these young adults have completed their degrees and have fully entered the workforce. Most recently in the Spring, Kaliegh Hayes graduated from The Massachusetts College of Liberal Arts. She is currently employed as a Youth Advancement & Education Coordinator at The Boys & Girls Club of the Berkshires, Pittsfield, MA.

To our donors, we thank you for your commitment to these families. Together, we continue to honor the legacy of our local fallen heroes and watch their children thrive. We hope you enjoy watching our families grow as much as we do!

FROM THE STUDENTS

“The Massachusetts Soldiers Legacy fund has helped me accomplish a lot with their help. Without the fund I would not have been able to continue my studies from a community college to a four-year school. The help that I have received from the MSLF, helps me concentrate on what is most important which is my studies. I don’t have to worry about the burden of loans and can spend my time focusing in school. The MSLF allows me to achieve what my father would have wanted for me, a bright future.”

— *Kaleigh Hayes*
daughter of Sergeant Glen Allison

“The MSLF has allowed me to attend Boston University and participate in their elementary education teaching program without having to worry about the financial stresses that come with college. Without the MSLF’s constant help and support I would not be able to attend my top choice university and participate in such an impressive teaching curriculum.”

— *Lena Brown*
daughter of Harold Brown, CIA

“My family and I are really appreciative from the help we get from the foundation. It’s helped my mom a lot from the stress of paying for our school.”

— Naz Montrond
daughter of Sergeant Alberto Montrond

“I just got back from a semester in Florence, Italy and it was truly a once in a life experience. I was able visit cities such as Barcelona, Dublin, Rome and more all while making great memories. Without the MSLF, I would have never been granted such an opportunity.”

— Tyler Farrar
son of Andrew Farrar

MSLF MISSION

The Massachusetts Soldiers Legacy Fund (MSLF) was founded in 2004 with a simple goal: to provide educational assistance grants to the children of Massachusetts Servicemembers who died in support of military operations under the Global War on Terrorism by providing educational assistance grants to their children.

The MSLF has raised over \$4.5 Million and will continue to enhance educational pursuits of its 50 families and 81 children. If an individual is a child of a Servicemember, whose service is credited to Massachusetts and who gave their life he/she qualifies.
