

## INTRODUCTION

The Massachusetts Soldiers Legacy Fund (MSLF) invites you to learn more about our students who have graduated college or currently attending school. In November, the MSLF will be entering its 17th year as a 501c3 to provide education grants to the children of Mass residents who died in support of the Global War on Terrorism. Currently, there are 53 families with 87 children eligible for these grants.

As of Fall 2021, 16 young adults will be enrolled in college. Many of these young adults have completed their degrees and have fully entered the work force or entered the military. One student, Katie Kennedy has completed her post-baccalaureate certificate in geographic information systems.

To our donors, we thank you for your commitment to these families. Together, we continue to honor the legacy of our local fallen heroes and watch their children thrive. We hope you enjoy watching our families grow as much as we do!

## MSLF MISSION

The Massachusetts Soldiers Legacy Fund (MSLF) was founded in 2004 with a simple goal: to provide educational assistance grants to the children of Massachusetts Servicemembers who died in support of military operations under the Global War on Terrorism by providing educational assistance grants to their children.

The MSLF has raised over \$4.5 Million and will continue to enhance educational pursuits of its 53 families and 87 children. If an individual is a child of a Servicemember, whose service is credited to Massachusetts and who gave their life he/she qualifies.

"I was very excited to learn that The Massachusetts Solder's Legacy Fund would provide support during my post-baccalaureate classes. Everyone at MSLF has been amazing to work with and the fund has been such a beneficial resource for me. Pursuing my specialized and advanced education has been possible because of their help and I am so grateful!"

"McKenna just graduated high school and is heading to Westmont College in Santa Barbara this fall, while Nathaniel just graduated from Seattle University and is looking to master in Environmental Policy! We couldn't be more grateful for all the support and opportunities MSLF has blessed us with over the years! The kids have grown and made so many irreplaceable memories and connections that have truly filled our lives with such joy to look back on. Thank you for lifting us up to see all the possibilities of what could be and encouraging us to take them and make the most of ourselves."
